

YOU'RE INVITED

Every Student's Future. Clearly Mapped by AI.

Join us for a live showcase of India's AI-powered Student Intelligence Platform — see how 7-dimension AI assessments turn marks into a real career roadmap.

93%

93% of Indian students choose a career before they truly understand who they are. Thisai changes that — with data, not guesswork.

THE SCIENCE BEHIND IT

7 Dimensions — Mapped to 1500+ Career Paths

- Personality Type
- RIASEC Interests
- Skills & Abilities
- Learning Style
- Motivators & Drivers
- Emotional Intelligence
- Psychological Readiness

Engineering Medicine
Design Data Science
+ more

1500+

Career paths matched to every student

Personalised JEE/NEET Practice

Chapter-level gap analysis & an AI study plan for every student.

Sports Talent Identification

Vilayard uncovers athletic potential — pathways to Khelo India & other sports events.

Anna University AI Lab · CEG

Ex-Microsoft Director · Advisor

NEP 2020 Compliant

WHAT YOU'LL DISCOVER

One Platform. Every Student's Future, Decoded.

A complete AI Student Intelligence Platform — built for institutions, trusted by parents, designed for students.

NSCET x THISAI

Now Live at NSCET

After a successful live session at NSCET, Thisai's AI Student Intelligence Platform is rolling out campus-wide — mapping every student's marks, interests & skills to 1500+ career paths.

7-Dimension AI Assessment

Maps personality, strengths & interests to 1500+ real career paths — unique to every student.

NEP 2020 Ready

Meets the Government of India mandate for career counselling in every school.

Live Intelligence Dashboard

Real-time data for teachers, counsellors & parents — not just students.

JEE / NEET Readiness

AI diagnostics with chapter-level gaps and a personalised study plan.

Sports & Talent ID

Vilayard identifies athletic talent — pathways to Khelo India & other sports events.

Built On Rigour

Anna University CEG AI Lab · Ex-Microsoft Director serves as our advisor.

Delivered Live, Across Tamil Nadu

CEG · schools & colleges already on the platform.
